

**Start with a design loaded on your design page.**

- We used Arc Shape.hqv from the 1-PS Designs<Blocks folder.
- Select the design with the **select** tool.

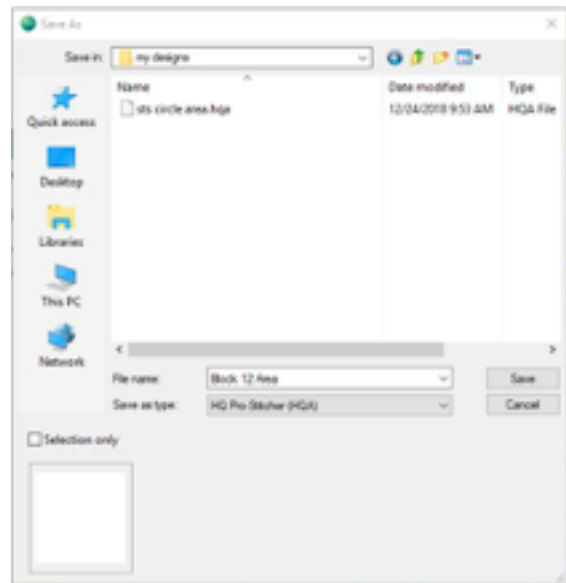

- Select the **File** tab. From the drop down menu, select **Save As**.

- A **Save As** window will open.
- Select the folder you would like to save your design in.
- In the File name line, give your area a name.

- In Save As type, select **HQ Pro-Stitcher (HQA)**.

- Click **Save**.
