

Download PS Patterns

When your Wi-Fi is on and connected, you can go directly to the PS Patterns website to download designs directly to your Pro-Stitcher tablet.

NOTE: In order to go to the PS Patterns website, your Pro-Stitcher tablet must be connected to Wi-Fi. Make sure to follow the Connect to Wi-Fi tutorial first before attempting this tutorial.

Select the PS Patterns Tab

1. When you are in the Pro-Stitcher software, select the PS Patterns tab along the top of the screen.

This will open the PS Patterns page, where you can shop for and download designs, make account adjustments, and download new updates for the Pro-Stitcher software.

2. Select the Patterns tab on the PS Patterns website to look for a design you'd like to download.

3. Once you find something you like, add it to your cart.
