

## View Tab Overview

The View Tab allows you to customize what you see on your design page.

View Tab buttons allow you to choose which features will be viewable on your design page. Click on any button to turn on (the button will be highlighted in green). Click again to turn off.

ICON	SHORTCUT	FUNCTION	DEFINITION
		Grid	Select the button to turn on or off the grid on the design screen.
	CTRL+SHIFT+S	Stitches	Show or hide stitches. If stitches is turned off/hidden, only the shape of the object is displayed.
		Artworks	If the button is highlighted, click to dismiss the artwork, notes, etc. from the display area. Click again to turn on the artwork, notes, etc.
		Start / End	Select the button to show or hide the start and end points of a design.
		Interlocking	Select the button to show or hide interlocking preview. This features allows you to see if your design repeats well while you are drawing it. It's easy to see where details need to be added to prevent gaps in an overall design. This view is available for designs in artwork or stitch formats.

ICON	SHORTCUT	FUNCTION	DEFINITION
		Quilting Space	Select to view the quilting space. Adjust the size of your quilting space under Settings Tab>General Options>Machine Tab.
	CTRL+3	Realistic	Click on the button to toggle back and forth between regular view and a more realistic (three dimensional) representation of the design.
		Notes	Click on the button to turn on or off notes on the Design Page. These are different from Copyright Notes. Notes on the Design Page will NOT end up in any quilt format. The notes can be printed along with the design; this function is useful for printable pantographs, to number patchwork pieces, for class handouts, etc.
		Folders	Select the button to open a drop down menu which allows you to open designs, images or library files from your computer's hard drive.
		Backdrop	Select the button to turn on and off the backdrop in your design page.
		Zoom to Fit	Use this set of buttons to quickly zoom to fit your design in the page, see your design at 1:1 or zoom to your selection by clicking on each separate button.
