1.4 Align Design

☐ Select **Modify** tab.
☐ Press **Align** on the ribbon.

☐ Press **Center** in the sidebar.

1.5 Rotate Design

☐ Press **Rotate** on the ribbon.

☐ In the sidebar, press **45** to rotate counterclockwise twice.

☐ Press **Baseline** in the Quick Access Toolbar.

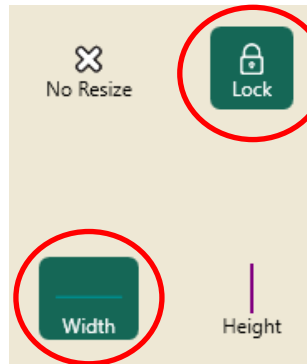

1.6 Resize Design

☐ Press **Resize** on the ribbon.

☐ In the sidebar, select **Lock** and **Width**.

☐ Use the **plus** and **minus** buttons in the bottom of the sidebar to adjust the block size to fill the area.

☐ To fine-tune the size, you can un-select the **Lock** button and just change the height or width.
☐ Select **Baseline**.
1.7 Stitch the Design

☐ Select **Pro-Stitcher** tab.
☐ Press **Quilt** on the ribbon.

☐ In the sidebar, choose settings:
  - ○ Select **Stitch**.
  - ○ Select **Start End**.
 - ○ Select **Pullup On**.

☐ Press **Run**.

☐ Verify Settings.

☐ Press **Proceed**.

☐ The machine will take one stitch and pause.

☐ Pull up your bobbin thread.
☐ Press Resume.

☐ When finished stitching, pull up bobbin thread and clip your threads.
