Pro-Stitcher DESIGNER[™]

How to Save an Area from a Design

1. Start with a design loaded on your design page.

- a) We used Arc Shape.hqv from the PS Designs<Blocks folder.
- b) Select the design with the Select Tool.

2. Select the File Tab. From the drop down menu, select Save As.

C)	New	OH-N
ō	Open	Oni-D
	Recover	
0	Marga	
80	Import Attool	
	import IT Test	
	Special Tries	
	Losd Bachdrop	
	One	
	Come #8	
18	Long.	On-S
	Save Au	
	100 100 map	
	Equal Artwork	
÷	Print	04-7
	Print Preview	
	Print Catalog	
	Recent File	
	5.0	

a) A Save As Window will open.

- Select the folder you would like to save your design in.
- In the File name line, give your area a name.
- In Save As type, select HQ Pro-Stitcher (HQA).
- Click Save.
